

What is

# REAL LAZER TAG?

- 1 You tag someone **ONCE**, they go down
- 2 You **KNOW** when you tag someone or they have tagged you
- 3 There is **GOOD PROTECTION** in the arena so you can hide and not get shot from every where
- 4 You get a **SCORECARD** that tells you all about what you did in the game
- 5 There is a **SCOREBOARD** so everyone can see immediately how you and everyone else did
- 6 There is a live **SCOREBOARD** so the audience can see what is happening
- 7 There is a **REAL PERSON**, the Marshall, that briefs and is in the arena to help you
- 8 Fun for **ALL AGES**, easy enough for a 5 year old and still Real Fun for adults, all at the same time
- 9 Fun if **2** people are playing or **30** people are
- 10 Game is long enough to not feel like you just got in, but not so long you are worn out
- 11 **REAL LAZER TAG** is played at Lazer Force Lazer Tag
